

Report SDP Assignment 8

Kuanysh Beibarys SE-2413

Structure

Teachers

```
1 package Visitor;
2
3 public interface Teachers { 6 usages 3 implementations
4     public void doJob(Visitor visitor); 3 usages 3 implementations
5 }
6
```

Visitor

```
1 package Visitor;
2
3 public interface Visitor { 5 usages 1 implementation  Gorkiy Chocolate
4     void doSDP(); 1 usage 1 implementation  Gorkiy Chocolate
5     void doDAA(); 1 usage 1 implementation  Gorkiy Chocolate
6     void doWT(); 1 usage 1 implementation  Gorkiy Chocolate
7 }
8
```

Concrete Visitor Code

```

1 package Visitor;
2
3 public class ConcreteVisitor implements Visitor { 3 usages  Gorkiy Chocolate
4     @Override 1 usage  Gorkiy Chocolate
5     public void doSDP(){
6         System.out.println("Patterns will make your life easier");
7     }
8
9     @Override 1 usage  Gorkiy Chocolate
10    public void doDAA(){
11        System.out.println("Algorithms will make your life harder");
12    }
13
14    @Override 1 usage  Gorkiy Chocolate
15    public void doWT() {
16        System.out.println("Frontend will make you unemployed");
17    }
18
19 }
20

```

SDP

```

1 package Visitor;
2
3 public class SDP implements Teachers { 1 usage  Gorkiy Chocolate
4     @Override 3 usages  Gorkiy Chocolate
5     public void doJob(Visitor visitor) {
6         visitor.doSDP();
7     }
8 }
9

```

Frontend

```

1      package Visitor;
2
3      public class Frontend implements Teachers { 1 usage
4          @Override 3 usages
5      @  public void doJob(Visitor visitor) {
6          visitor.doWT();|
7      }
8  }
9

```

DAA

```

1      package Visitor;
2
3      public class DAA implements Teachers {  @Override 1 usage  Gorkiy Chocolate
4      @  public void doJob(Visitor visitor) {
5          visitor.doDAA();|
6      }
7  }
8
